Our qualified team works with all roof types including terracotta, concrete, and metal delivering lasting results backed by guaranteed workmanship you can trust.

Our Services

- Roof Restoration
- Roof Replacement
- Gutters and Fascia Installation
- Epoxy Flooring
- External Painting
- Concrete Resurfacing

Why Choose Us

With expert craftsmanship, premium materials, and careful preparation, we deliver flawless, long-lasting finishes for residential, commercial, real estate, and strata clients across Victoria.

Roof Restoration.

Affordable, Effective, and Made to Protect.

Is your roof looking tired, stained, or worn but not quite ready for a full replacement?

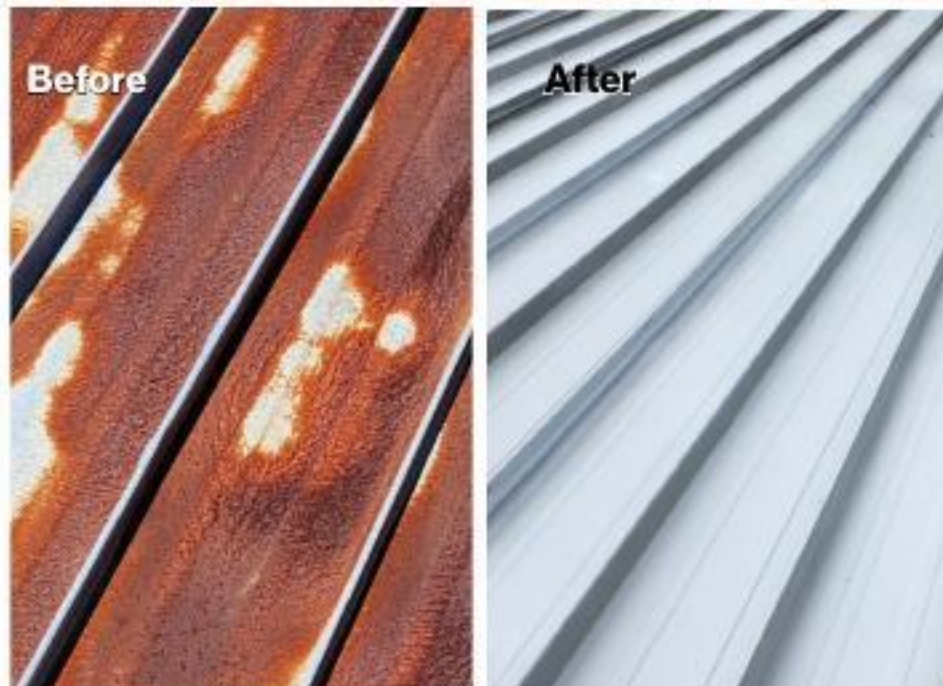

Our professional roof restoration service offers the perfect middle ground: it revives your existing roof, fixes hidden problems, and gives your home a fresh new look, all at a fraction of the cost of replacement.

Revive Your Roof. Renew Your Home.

Roof restoration process begins with a thorough inspection to identify damage and leaks then clean off dirt, moss, and old coatings. After completing necessary repairs like tiles and flashings we seal, prime, and apply durable protective coatings to enhance appearance and ensure long-term weather resistance.

With competitive pricing, free quotes and personalised service, you can trust us to bring your roof back to its best, strong and stylish.

Yours Would Look Like This Too!

New Roof. Zero Hassle.

Why Replace Your Roof?

Is your roof leaking, or damaged? It might be time for a full replacement and we're here to make it easy, affordable, and stress-free.

Roof Replacement You Can Rely On

When repairs aren't enough, trust All Roof Repair for a complete roof replacement that restores strength, protection, and lasting appeal.

Our experienced team uses premium materials and expert installation to deliver a durable roof that stands up to Melbourne's toughest conditions, all with a smooth, stress-free process from start to finish.

Other Services

Keeping your roof and guttering systems performing at their best is our top priority. Ensuring your home stays protected from leaks and water damage. We make it simple to get reliable, long-term protection you can count on.

Reliable Roof Plumbing You Can Trust

Don't let damaged fascia or leaking gutters erode your peace of mind. We replace them with strong, durable materials that ensure proper drainage and protect your home. Install gutter guards to cut down on messy cleanups and prevent water damage. And if your eaves have asbestos, our certified team removes it safely to keep your family healthy and your home compliant.

Our Services:

- Gutter Replacement
- Fascia replacement
- Gutter Guard Installation
- Eaves Installation
- Asbestos Removal

Trust All Roof Repair to keep your home protected, safe, and looking great!

Driveway Resurfacing

What You Ignore Now Will Cost You More.

Our driveway resurfacing service restores worn, cracked or stained surfaces for a fraction of full replacement costs. It boosts your home's curb appeal, helps resist weather damage, lowers maintenance, and can add value all while giving you peace of mind knowing your driveway will last longer.

Premium Materials, Lasting Results

At All Roof Repair, we believe top-quality materials are just as important as expert workmanship. That's why we use only Australian-made, industry-certified roofing products built to withstand any weather. Don't wait until small issues become big problems.
