

Made for Out Here. Your Patio. Your Life, Outside.

A patio isn't just an add-on.
It's an investment in how you live,
entertain, and enjoy your home every
single day. We take that seriously.

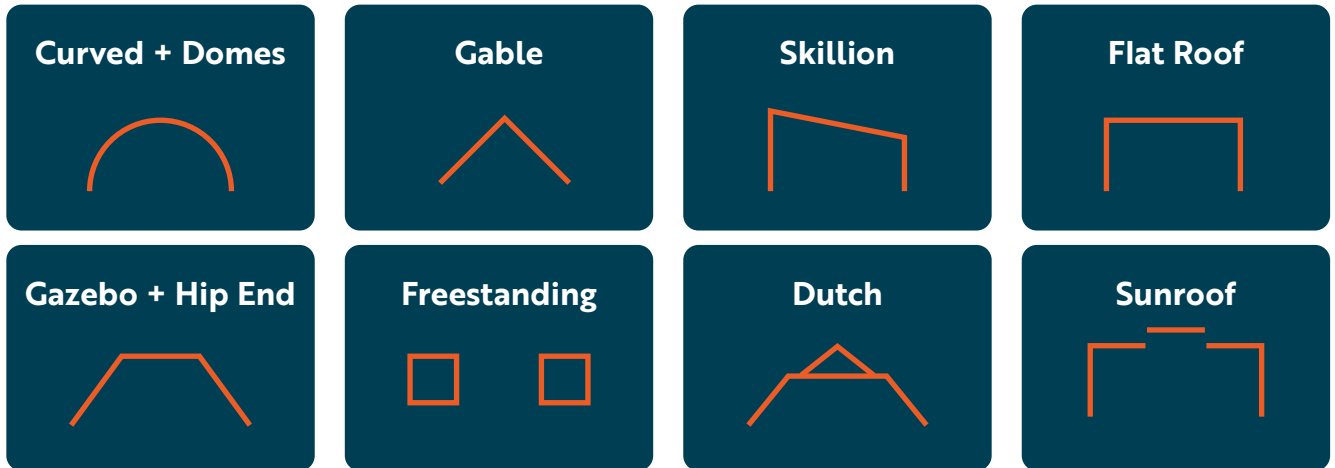

Built for better living.

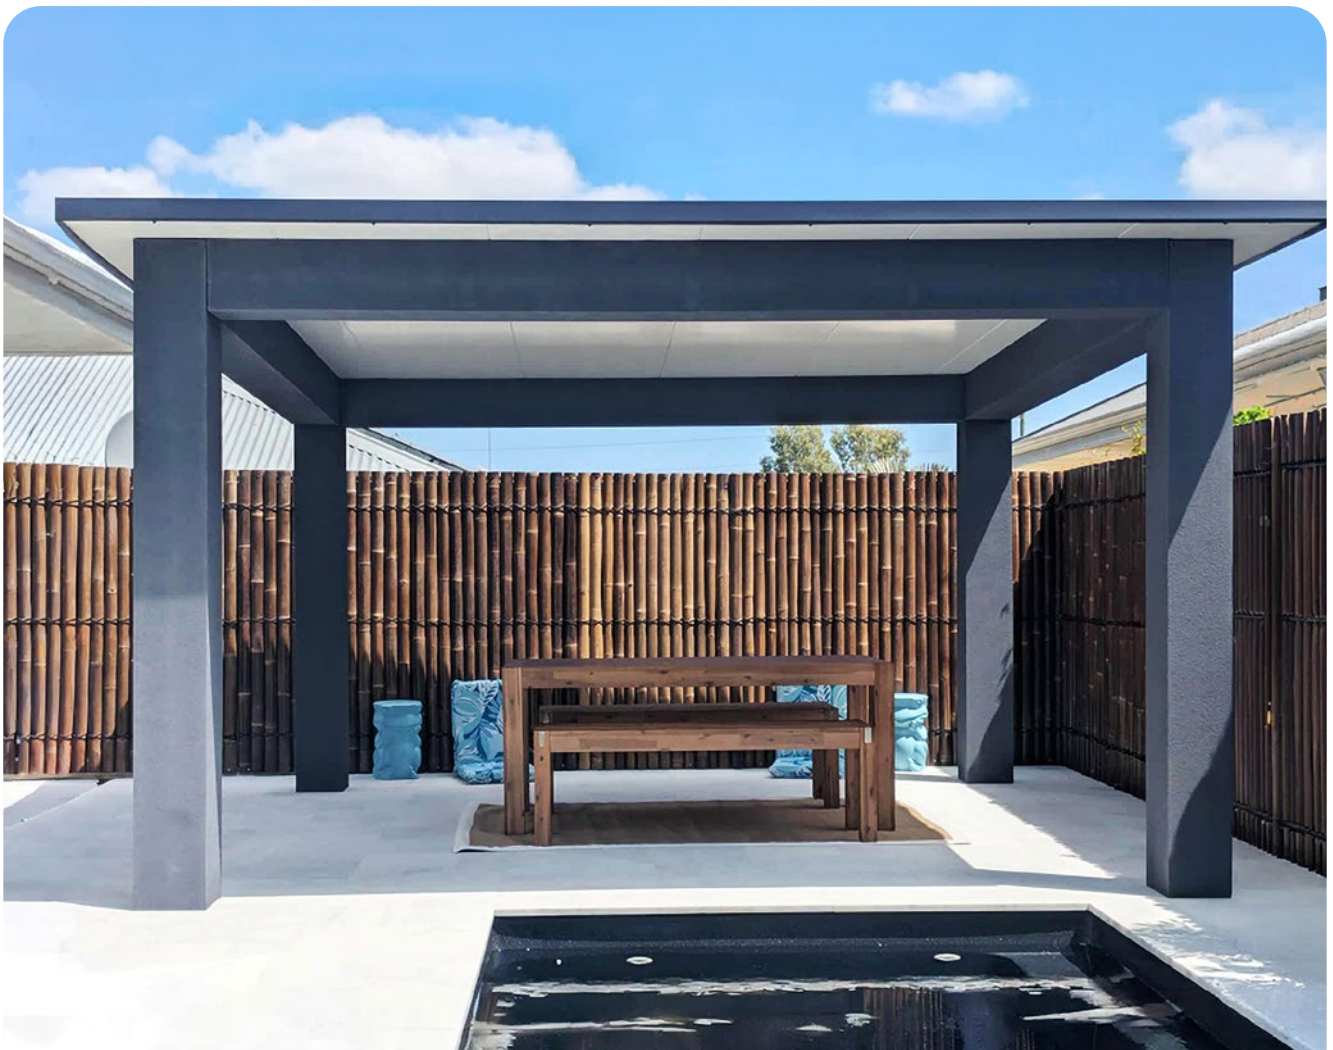

Custom Patios for WA Living

At Advanced Patios, we deliver more than a structure; we deliver the Advanced Patios On-Site Experience.

An expert-led process that removes uncertainty and gives you confidence from the very first visit. From design and council approvals through to construction, we own every step with clarity, care, and accountability.

No cookie-cutter builds. Just expertly crafted patios, engineered to suit every home, block, and lifestyle in WA conditions.

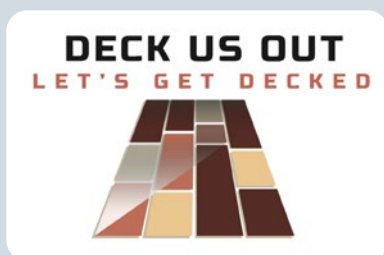

Introducing Cemtex Columns

Ever noticed those beautifully finished columns on our patios?

They're called Cemtex; premium acrylic render columns that give every build that polished, architectural look.

Sturdy, stylish, and built to last.

Cemtex columns are supplied by Cemtex Group and installed by the Advanced Patios team as part of your full project.

Standard Sizes:

Size (mm)	Length (mm)
260x260	1200, 2400, 3000
