

Our story

From apprentice carpenters to licensed builders, **Jayden** and **Aaron** founded Better Built Homes in 2010 with a vision to deliver a better homebuilding experience.

What began in a family study has grown into a thriving business of over 50 dedicated team members, united by passion, quality, and care.

Today, Better Built Homes is a multi-award-winning, iCIRT-certified builder, trusted by families across Sydney for quality, transparency and professionalism.

Why Better Built?

TRUST

Backed by a **4.5-star iCIRT rating**, providing independent assurance and confidence.

PROVEN QUALITY

Supported by an **ISO 9001:2015-certified** quality management system and a five-stage inspection process

EXCEPTIONAL VALUE

Fixed-price contracts with premium inclusions & **no hidden costs**. This approach provides pricing certainty while delivering high-quality finishes and features as standard.

DESIGN FLEXIBILITY

Every home can be tailored to suit individual lifestyles, needs, and vision. From **floorplan modifications** to bespoke finishes, clients have the freedom to create a home that feels uniquely theirs.

AWARD WINNING EXCELLENCE

Recognised through multiple **HIA awards** and industry accolades, reflecting our commitment to quality, professionalism, and outstanding client experiences.

We have no hesitation in recommending BBH for any home building project based on our experience.

- Sivakanthan S.

We highly recommend them to anyone looking for a transparent, professional, and high-quality building experience.
