

## VICTORIA ENERGY REBATES

**Save up to \$7,000** with government rebates on energy-efficient air conditioning installations! As an accredited VEU rebate provider, we make it easy for you to access these savings. Upgrade today and enjoy lower energy bills while reducing your carbon footprint. Contact us now to learn more!

## ABOUT US

Since 1990, Blitz Bradmac has been a leader in Victoria's climate control sector, specializing in heating and cooling for residential and commercial clients. In 2024, Blitz Air acquired Bradmac Heating & Cooling, expanding our expertise.

With teams in Camberwell and Airport West, we proudly serve Melbourne and regional areas like Ballarat, Geelong, Bendigo, and Gippsland. We offer cost-effective, compliant, and timely solutions with tailored products and strong supplier partnerships, staying ahead of industry trends and ensuring expert service.

## SAVINGS!

## INSTALL AND SERVICING

We offer expert air conditioning installations for new homes, renovations, or system upgrades, including ducted systems, HVAC, split systems, and evaporative cooling, ensuring year-round comfort. Our skilled technicians also provide servicing to maintain optimal performance, prevent issues, and extend the lifespan of your system.
