your body's own internal balance
system – head to toe.

CANNABIS & THC FREE
Isolated from cloves.

Soothes

Eases pain &
inflammation

Balances

Supports body
homeostasis

Calms

Balances mood &
emotional wellbeing

WHAT'S IN THE BOTTLE?

Beta-caryophyllene (BCP) is a plant-based terpene that interacts directly with your body's CB2 receptors. By supporting the endocannabinoid system – it helps maintain the internal balance necessary for optimal daily function.

A NATURAL WAY TO MANAGE

Pain • Inflammation • Mental Health • Sleep • Immune Function • Anti-Ageing

How to Use

Starting Dose

Begin with 4 drops morning and night.

Sublingual

Place drops under tongue. Hold for 60 seconds before swallowing.

Find Your Sweet Spot

Increase by 1 drop twice daily (up to 10 drops per serving) until desired effect is achieved.

Topical Use

For added benefit, apply directly to areas of pain or inflammation as needed.

Feeling anxious or stressed?

Pop a few extra drops under the tongue as needed throughout the day.

For Best Results: Consistency is key — persist for at least 8 weeks.

Tip: If using the Ultra Blend product, start at 8 drops morning and night.

Pet-Friendly: 2–3 drops of Ultra per 10 kg of body weight. Directly in the mouth or in wet food. (4–6 drops if using the Ultra Blend product).
