“

‘Such a brilliant idea!
Everything you need is in
the kit, and it was so much
fun to celebrate ending my
toxic marriage this way lol.
100% recommend.’

Custom-made potions and mystical accessories for:

- Themed Kids Parties: kits include wish potions featuring unicorns, dragons, dinosaurs, fairies, lions, and so much more.
- Adult parties like Bridal Showers or Divorce Parties.
- Custom potion kits for self-love, relaxation, connection, healing, banishing negative energy, unburdening yourself, prosperity, personal growth, emotional nourishment, courage, protection, and so much more. All potions are made to order, with your intent at the heart of the potion kit.
- Or any other occasion you wish to celebrate with a spell!
- A NIDA grad. Aura is also available to host any party.

Accessories

From our beautifully embellished Book of Shadows, our handcrafted headpieces and wands, our fun Voodoo Dolls with skull pins, or wooden trays for sorting your ingredients, we have every mystical accessory you need to make magic happen.

Why Magic?

For children, magical potions:

- Encourage imaginative play
- Promote sensory play
- Support early-childhood development
- Create mindfulness
- Give screens a break
- Allow them to explore their creativity
- Encourage emotional expression
- Build cognitive growth
- Develop fine-motor and problem-solving skills
- Create a deep sense of confidence
- Find independence through accomplishment
- Allow a sense of pride and self-worth through success
- Encourage an early interest in science
- Create playful, positive, and joyous core memories

For adults, magical potions:

- Create a sense of nostalgia
- Positively reconnect with your inner child
- Help summon your inner power
- Enjoy a fun, magical adventure
- Help create a unique way to unwind and relax
- Encourage adults to rediscover their own creativity
- Enjoy self-care and 'me-time' in a fun, meditative way
- Enjoy time with our children if spellcasting together
- Allow you to manifest your intention and focus on your future
- Feel positive moving forward from whichever potion you choose
- Enjoy mindfulness in a magical way

Kits include:

- One cauldron.
 - Adults choose from a crystal (seen below) or 3D-printed cauldron with an original design.
 - Kids kits include plastic cauldrons (perfect for small hands) in a variety of colours.
- One crystal spoon.
- 3 x glass bottles filled with the elixirs you need to brew your potion. All ingredients are safe, non-toxic, and we use Bio Glitter to be eco-friendly.
- Some potions (including kids kits) have magical ingredients that will bubble and froth as the spell is cast.
- A crystal spoon.
- A familiar (varies depending on kit).
- Biodegradable home-grown florals.
- An eco-friendly wheatgrass dish.
- For Kids Kits, an assortment of stickers to personalise their cauldron.
- A vial, diffuser, or atomiser for your final potion. For atomisers, spray outside (nature enhances the spell) and protects your furniture.
