CERAMIDE MOISTURISING CREAM

Hydrating, Nourishing & Protecting

Our Ceramide Moisturising Cream delivers intense hydration and nourishment for a radiant complexion. Formulated with a ceramide complex, it strengthens your skin's defenses against dryness and environmental damage. Multi-molecular hyaluronic acid and ectoin work synergistically to provide rapid, long-lasting hydration, leaving your skin glowing and protected.

Ceramide Complex

Essential for maintaining a strong skin barrier.

Multi-Molecular Hyaluronic Acid

Provides deep and sustained hydration.

Ectoin

Protects skin from environmental stressors.

CERAMIDE SERUM

Repairing & Revitalising

Our Ceramide Serum is formulated with a powerful three-ceramide complex that penetrates deeply to rejuvenate and repair skin cells. This advanced serum strengthens the skin's barrier while sodium hyaluronate crosspolymer, an advanced form of hyaluronic acid, provides long-lasting hydration. Perfect for those seeking to restore the skin's natural vitality and resilience.

Three-Ceramide Complex

Essential for maintaining the skin's barrier and moisture levels.

Sodium Hyaluronate Crosspolymer

Provides extended hydration and plumping effects.

For more information please refer to our website: www.dy5.store.

ROSE HYDROSOL

Soothing & Hydrating for All Skin Types

Crafted from the exquisite Rosa Damascena, our Rose Hydrosol delivers instant restoration, hydration, and refreshment. This luxurious essence is enriched with multi-molecular hyaluronic acid, which targets different layers of the skin to seal in moisture and enhance elasticity. In addition, phospholipids help to strengthen the skin barrier, providing deep hydration and a revitalised appearance.

Rosa Damascena

Known for its soothing and anti-inflammatory properties.

Multi-Molecular Hyaluronic Acid

Delivers deep, long-lasting hydration.

Phospholipids

Enhance the skin's barrier function.

For more information please refer to our website: www.dy5.store.

FOAMING FACIAL CLEANSER

Refreshing & Hydrating

This Foaming Facial Cleanser gently cleanses the skin without stripping away essential moisture. Formulated with coconut-derived surfactants, it effectively lifts away oil and impurities. Enriched with oat flour, it not only cleanses but also revitalises and hydrates, leaving your skin feeling clean, fresh and nourished.

Coconut-Derived Surfactants

Provide effective, gentle cleansing.

Oat Flour

Known for its soothing and hydrating properties.
