

SELL YOUR HOME FOR REMOVAL

The average demolition can cost **\$30,000 to \$40,000**

Many homes can be sold for removal instead, reducing waste and giving the house a new life.

DID YOU KNOW?

How It Works

1

We Assess

We provide a FREE assessment to determine whether your home is suitable for relocation.

2

We Find a Buyer

We connect your home with the right buyer.

3

We Guide

We guide you through the process of approvals and preparing your home for removal.

4

Your Home Lives On

Your house is relocated and ready for a new family to enjoy.

Thinking about demolishing your home?

Before you pay for demolition, talk to Drake Removal Homes. Your house could be relocated and enjoyed by another family while saving you money and reducing landfill.

Why Sell Your House?

- Avoid expensive demolition costs
- Environmentally friendly alternative
- We manage the entire sale process
- No advertising costs or open homes
- We connect your house with a suitable buyer

Is My House Suitable?

While every home is assessed individually, we generally look for homes that:

- Are built on stumps
- Have timber cladding or weatherboard exterior
- Have an iron roof (preferred)
- Contain minimal asbestos
- Good access for removal trucks
