Love and Appreciation

"I am very thankful for Earth Heart Space Reading from Jules. The video format was great to listen to and to play back when I wanted revisit the important information. After implementing the ideas in the reading which were simple but effective, I felt a sense of peace and calm.

The room is brighter and I feel a deeper connection with my Reiki and Oracle card reading clients. I loved the reading of the cards at the end it gave me a deeper connection with positive energy. Thank you Jules, you have empowered me to manifest a path of personal and spiritual growth."
