

SLYDER

FRAMELESS SHOWER SCREEN

Saving space with style...

Why choose SLYDER?

SLYDER is a new concept for sliding shower screens, Australian designed and owned.

Australian standards compliant and patented, this product provides exceptional value, adding style and elegance to your bathroom.

Additional information:

6 or 8mm thick, Grade A toughened glass.

Standard finish is Bright Silver.

30mm overlap to prevent water from escaping.

No water dripping from opening doors onto your floor.

Easy to clean.

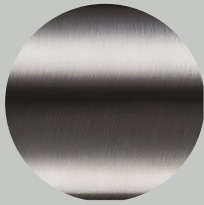

Concealed fixings.

The only frameless 3 door sliding shower screen.

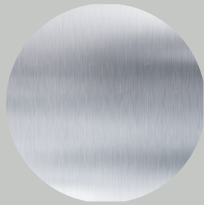

The only corner opening frameless shower screen.
