## ABOUT US

GB Interiors, founded in 2019 by Nassim Naboulsi, a second-generation joiner in Sydney, creates custom joinery with passion, precision, and purpose.

Born from a love for hands-on craftsmanship, the company delivers kitchens, wardrobes, and vanities that reflect care, quality, and client-focused design. Every project is a personal commitment to excellence, honesty, and creating meaningful spaces.

## Kitchens

Transform your kitchen with our expert team.

Driven by craftsmanship and care, we're passionate about creating kitchens that truly become the heart of your home. Whether you're after a sleek modern upgrade, improved functionality, or a complete redesign, our team delivers high-quality renovations tailored to your vision. We provide full-service kitchen transformations, including custom cabinetry, countertops, lighting, flooring, and appliances—ensuring a seamless and cohesive finish. With years of hands-on experience and a strong eye for design, we collaborate closely with you at every stage to bring your dream kitchen to life. Every detail matters to us, and we're committed to crafting a space that's not only beautiful but also highly functional. Trust GB Interiors to design a kitchen that suits your style and supports your everyday living.

## Vanities

Bespoke custom vanities for your perfect space.

Custom vanities are designed and crafted to enhance both the style and functionality of your bathroom or powder room. Whether you prefer a sleek modern look, a timeless classic, or a unique personalized design, our team collaborates closely with you to create the perfect vanity tailored to your space and needs. We offer custom cabinetry, distinctive finishes, and smart storage solutions, bringing your vision to life with expert craftsmanship. Focused on quality and attention to detail, we ensure each vanity is not only beautiful but also durable and long-lasting. Let us help you design a vanity that elevates your space and perfectly complements your personal style.

## Wardrobes

Custom wardrobe for every space

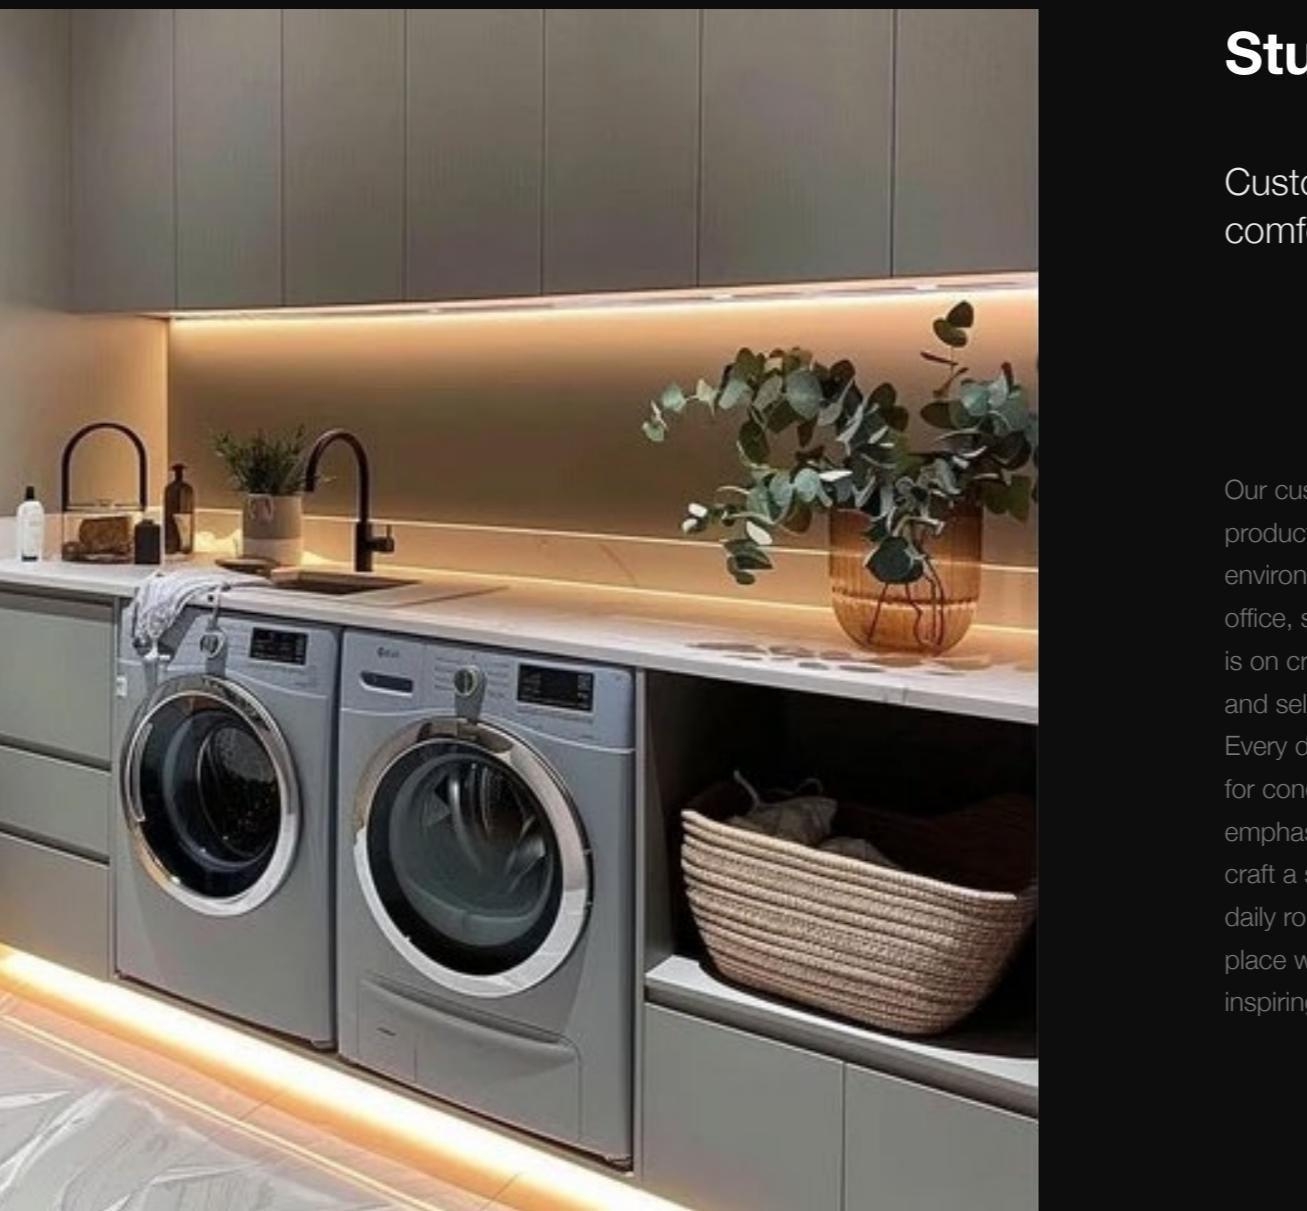

Transform your wardrobe into a personalised, stylish, and highly efficient space designed just for you. Whether you want to maximise storage, improve organisation, or refresh the look with a modern design, our team delivers custom solutions tailored to your needs. We create bespoke wardrobes featuring smart layouts, premium materials, and elegant finishes that enhance both usability and aesthetics. Every project is crafted with precision and attention to detail, ensuring your wardrobe complements your lifestyle perfectly. From custom shelving and hanging spaces to integrated lighting and accessories, we focus on creating a seamless experience that makes getting dressed effortless and enjoyable! Let us help you design a wardrobe that's unique and functional as you are.

## Laundries

Efficient & stylish laundries.

We transform laundry rooms into functional, organized spaces designed to meet your everyday needs. Whether you need more storage, a better layout, or a fresh, modern look, our team is here to help. We specialize in custom laundry renovations, offering tailored cabinetry, efficient layouts, durable surfaces, and stylish finishes that combine practicality with aesthetic appeal. With a strong focus on quality craftsmanship and precision, we bring your ideas to life—creating a space that's not only beautiful but also makes daily chores more manageable. Every detail is thoughtfully considered to ensure your laundry room works for your lifestyle. Let us help you turn a once-overlooked area into a space that's efficient, welcoming, and built to last.

## Studies

Custom study rooms designed for focus & comfort.

Our custom study rooms are designed to boost productivity while providing a comfortable, personalized environment for work and learning. Whether it's a home office, study nook, or dedicated area for children, the focus is on creating functional layouts, smart storage solutions, and selecting furnishings that meet your unique needs. Every detail is carefully considered to optimize the space for concentration, creativity, and comfort. With an emphasis on quality design and practicality, the goal is to craft a study area that supports focus and enhances your daily routine. Transform your space into a stylish, efficient place where work and study become enjoyable and inspiring experiences tailored just for you.

## Linens

Custom linen cabinets for Organized & elegant spaces

Custom linen cabinets are expertly designed and crafted to add both organization and elegance to your home. Whether placed in the bathroom, bedroom, or laundry room, these personalized storage solutions are tailored to fit your space and specific needs. Combining functionality with style, the cabinets provide ample room for towels, linens, and essentials while enhancing your home's decor with a sophisticated touch. Built using high-quality materials and skilled craftsmanship, each cabinet is durable and designed to complement your unique taste. With careful attention to detail, these custom linen cabinets offer the perfect balance of beauty and practicality. Create an organized, stylish space that elevates both storage and the overall aesthetic of your home.

## Custom Storage Solutions

Efficient & stylish custom storage solutions.

At GB Interiors, we specialize in creating custom storage solutions that are tailored to your specific needs, transforming your spaces into more organized and functional areas. From personalized closets and built-in shelving to garage storage and home office solutions, we design and craft high-quality storage systems that maximize your available space. Our team works closely with you to understand your style and storage needs, providing innovative, space-saving designs that blend seamlessly with your home's aesthetic. Whether you're looking to declutter your home or enhance its functionality, we offer expert craftsmanship and attention to detail in every project, making your space more

## Entertainment Units

Custom TV Unit crafted for style & function.

Expertly designed and crafted, custom TV units enhance the functionality and aesthetic of your living space. Whether you prefer a sleek modern look, timeless classic design, or a unit focused on storage, these personalized creations are tailored to match your home's aesthetic and your unique needs. Featuring built-in shelving, media storage, efficient cable management, and custom finishes, each unit improves your entertainment setup while complementing your decor. With a strong emphasis on quality craftsmanship, attention to detail, and thoughtful design, every TV unit balances function with visual appeal.

Transform your living room or entertainment area with a stunning, practical centerpiece designed to elevate your space and enhance your viewing experience.
