Your Home Your Style

# 01 Capacity

GoldenHome Living Co., Ltd. (Stock Code: SH603180) was founded in 1999 in Xiamen, China. We are a professional supplier of high-end integrated kitchen cabinets and customized furnishings including Closet systems, Vanity Suites, and Interior Doors. GoldenHome specialize in R&D, manufacturing, sales, installation, and after-services of integrated kitchen cabinets and customized furnishings. We are committed to becoming the Prestigious Brand of Whole House Customization. We are the president unit of Kitchen Committee of China Furniture & Decoration of Commerce, and the president unit of Kitchen Committee of China National Hardware Association, the honor member of NKBA .

GoldenHome has more than 3,000 high-end franchise stores all over the world. It owns Kitchen Cabinet, wardrobe, Interior Door, Kitchen Appliance, Smart Home ..., to provide one-stop home solution experience for customers.

Currently, GoldenHome has five professional production bases around the world. The total scale of Xiamen headquarters production facility is more than 230 thousand square meters. The total scale of the Siyang, Jiangsu production base is approximately 670 thousand square meters, it has now been completed with 430 thousand square meters. 130 thousand square meters in Chengdu, 230 thousand square meters in Hubei. And 140 thousand square meters in Thailand. The five major manufacturing bases have facilities of more than 900 thousand square meters. An additional 600 thousand square meters facility are under construction. Except that, In addition, in order to better serve the overseas strategic markets, GoldenHome have set up branches, satellite factories, central warehouse or service center in USA, Australia, Malaysia...

## 02 Global Supply Chain

GoldenHome is committed to building a global supply chain based on the globalization of the market, which does not only ensure bringing the best quality product to you at a reasonable price, but also the supply stability in the changing international trade environment.

## Local Service 03

GoldenHome implemented Subsidiary Company, Warehouses, manufacturing centers in overseas. Providing sample proofing, buffer-storage, assembly service, spare parts making, and other one-stop solution services throughout the whole project process, which is an incomparable advantage compare with other suppliers.

We are also sincerely inviting potential regional service partners to be a part of our GoldenHome solution service system, to achieve win-win business cooperation.

### 04 Product & Delivery

Our goal is to perfectly implement your bid into a complete set of kitchen and bath. The success of the goal should be a comprehensive evaluation of Cost, Time, and Quality. Drawing on our team's experience in the overseas market, we have developed a couple of schemes that best meet the requirements of the vast majority of situations. At the same time, we use systematic management to standardize the process, to achieve the optimal solution.

We offer a variety of shipping methods, we can provide flat pack or assembled packed with pallet to meet your needs.

### Warranty 05

GoldenHome warrants to the original purchaser that all Cabinets, Closet Systems and Component Parts will be free of substantial defects in materials and workmanship under normal use for one year from the time of purchase. Component parts included are only those provided by the Manufacturer including items such as hinges and drawer glides, etc. The warranty period begins on the Purchase Date and can be transferred to the first owner of the residence.
