Our Vision

Our vision is to be the trusted partner for homeowners, developers, and businesses — redefining property furnishing and styling through innovative design, global sourcing, and seamless delivery. We aim to create timeless spaces that inspire and elevate living and working environments across Australia and beyond.

From concept to FF&E solution, we turn bold ideas into enduring realities.

We deliver comprehensive solutions and bring visions to life through an integrated blend of engineering precision, construction expertise, with innovative and inspired design thinking.

About Us

From concept to FF&E solutions, we turn bold ideas into enduring realities.

MECA specializes in delivering comprehensive post-construction furnishing solutions for new developments — from interior design and FF&E sourcing to on-site installation and final handover. We deliver integrated solutions that bring visions to life through a unique blend of engineering precision, construction expertise, and innovative design thinking.

With offices in Sydney, New York, and China, we provide tailored solutions for

real estate, Airbnb, hospitality, restaurants, commercial spaces, and luxury residences across global markets.

Founded in 2012, we combine design expertise with manufacturing strength from China, supported by local project teams across Australia. Our services include site measurement, client coordination, and on-site execution, ensuring efficient, high-quality, and tailored results for the Australian market.

Scope of services

Full-Service Turnkey Delivery

We provide end-to-end solutions

— from concept to reality —

tailored to your vision for
both exteriors and interiors.

1. Drawings & Advanced 3D Rendering

Immersive visualisation through detailed architectural drawings and cutting-edge 3D renderings, enabling clients to experience their spaces virtually before execution.

2. Bespoke Interior, Exterior & FF&E Design

Custom design services for both exteriors and interiors, including Furniture, Fixtures & Equipment (FF&E). We handle procurement with a focus on quality, style, and budget—offering a seamless one-stop-shop for all your living and lifestyle furniture needs.

3. B2B Strategic Global Sourcing

We source directly from trusted manufacturers to offer competitive pricing, ensuring your project stays within budget.

4. Logistics & On-Site Fit-Out Management

Comprehensive logistics coordination, including delivery, assembly, and on-site installation for both exterior and interior elements—streamlining the entire process for maximum efficiency and minimal stress.

5. Styling Services

Professional property styling to prepare homes for sale—helping to increase value and accelerate selling time on the market. Also available for commercial purposes, including hotels, Airbnb, offices, restaurants, and showroom displays for developers.
