Bachelor of Arts Therapy

Arts therapy is effective in working with diverse groups of clients of all ages, abilities, and with a range of difficulties. It is particularly effective in engaging people who may struggle to participate in more traditional 'talking therapies' such as children, adolescents, people suffering from trauma, or those with disabilities, language difficulties or from diverse cultural backgrounds. The experience of expressing oneself through creative activity has been found to assist in the promotion of physical, emotional, cognitive and social integration and functioning. The consequent insights and personal understandings can be instrumental in facilitating change.

The Bachelor of Arts Therapy is designed to provide graduates with a broad body of knowledge relating to the field of arts therapy, with emphasis on the underlying principles and concepts of art making processes. A feature of the course is the focus on experiential small-group learning that supports students to develop and practice their skills and knowledge in a safe supportive environment.

This qualification is recognised in the Australian Qualifications Framework.

PROFESSIONAL ACCREDITATION

Graduates may be eligible for Tier membership of the arts therapy professional body in Australia, ANZACATA.

CAREER OPPORTUNITIES

The Bachelor of Arts Therapy prepares graduates for an exciting career as an arts therapist with the skills to attend to the needs of clients in a variety of professional settings, ranging from mental health organisations and agencies to private practice.

DELIVERY

Course delivery is a combination of lectures, arts workshops, self- directed study and workplace learning. You should allow for 3 hours per subject for lectures and tutorials. For each subject, you should then spend approximately 10 hours per week for self- directed study to complete prescribed readings, practice skills, research and assessments.

ADMISSION PATHWAYS

Academic Admission Criteria

- Applicants with recent Senior Secondary Education (within the past two years) must have completed an Australian Senior Secondary Certificate (Year 12) or equivalent. For guaranteed entry applicants must have achieved an ATAR of 65.
- Applicants with Vocational Education and Training (VET) study must have completed a vocational qualification at Diploma level or higher.
- Applicants with Work/Life Experience who left senior secondary education more than two years prior to their application, and have not undertaken VET or HE study, may gain entry based on work experience or non-formal courses undertaken in preparation for tertiary study that are relevant to the subject area. Applicants must submit a written admission statement outlining their reasons for undertaking their intended course of study.

Non-Academic Admission Criteria

All applicants must complete the Learner Questionnaire within the Application Form and demonstrate they have the inherent qualities and motivations to be successful in the course. Applicants may also be required to participate in an informal interview.
