Available Colours

Chrome

Satin Gold

Matte Black

Gun Metal Grey

HIDDEN STRENGTH

Multi-Usage

Enjoy instant purified ambient and hot water up to 98°C for drinking, cooking, washing & sterilising.

Space Saving

Free up your kitchen space with an undersink command centre, designed for your modern homes.

Energy Saving

Save more electricity with Eco mode, never worry about repeated boiling & overheating again.

Low Maintenance

Equipped with world class filters so that you only require a yearly filter change. * Subject to the level of contaminants in the incoming water.

Safe For The Whole Family

Our Heatproof Taps are highly secured to prevent unwanted accidents and keep your loved ones safe.

Titanium Inner Core

Patented titanium inner core that is anti-corrosion and anti-limescale.

PURIFICATION SYSTEM

World Class All-In-One Water Purification System

Every drop counts by effectively removing 99.99% microorganisms up to 0.01 micron (μm).

Sediment Filter

Effortlessly removes soil, rust, sediment and bigger particles.

Activated Carbon Block

Actively removes cysts, unpleasant odours, chlorine, chloramine, trihalomethane, VOCs and heavy metals.

Nanofiltration Membrane

While preserving important natural minerals, this filter eliminates bacteria, algae, parasites and some viruses.

Eco-friendly

Intrix filters are designed to be 95% recyclable with more than 80% wastage reduction.

Specification

Power Rating	2.0kW@8.3A
Operating Voltage	220V-240V
Ambient Water Capacity	Tankless, Instant, Continuous
Hot Water Tank Capacity	2.6L
Hot Water Tank Material	SUS304 Stainless Steel
Hot Water Temperature Range	60°C to 98°C
Hot Water Output/Hour (167ml/cup)	130 cups, up to 98°C
Heating Element Material	Titanium
Filter Cartridge Model	Assure X10 (Made in Korea)
Filtration Method	Sediment + Carbon + Nano Filtration Membrane (0.01µm)
Filter Cartridge Lifespan *Subject to the level of contaminants in the incoming water	23,000L or One year*, whichever comes first
Filter Change Reminder	Yes
Command Centre Dimension (mm) (WxHxD)	190 x 360 x 340
Tap Drilling Hole Size (mm)	35
