Star Wars Reframed | The Writing on the Wall

Justin Brent Wallace lives with his beloved cat, Terry, in Brisbane, Australia. He has written a number of screenplays, including a film distributed on Amazon Prime, *Immortality*, in 2020 and another that won best unmade screenplay/fan favorite at a US International Christian Film Festival in 2021. He has several degrees with previous experience teaching and counseling. Wallace is an avid C. S. Lewis fan and has also written an as-yet-unpublished fantasy epic.
