INTERESTED IN A KIRBY?

Kirby home cleaning systems are sold through in-home demonstrations by our network of authorized, independent Kirby Distributors. We want you to be confident in your investment; the in-home demonstration provides the opportunity to test and experience firsthand the performance and versatility of a Kirby system. This service is FREE, and there is no purchase requirement.

To schedule a FREE in-home demonstration, or to learn more about starting a career as an independent Kirby sales professional, contact:

Your home is an investment. Help protect that investment and extend the life of your carpet, floors, and furniture with a Kirby. For over 110 years, our customers have benefited from the confident clean that only Kirby can provide. Here are just a few reasons to invest in a Kirby:

UNPARALLELED VERSATILITY

Easily converts to a canister or hand-held vacuum and expands to allow for carpet & furniture shampooing, tile & grout scrubbing, hard floor polishing, and *much* more.

IMPROVED AIR QUALITY

Kirby Micron Magic® HEPA filtration traps allergenic particles.

BUY ONCE. BUY RIGHT.

Our exclusive Lifetime Rebuild Program makes sure your Kirby system runs strong for years to come.

MADE IN THE USA

Rest assured knowing that Kirby systems have been built in America by employees dedicated to their craft for over 110 years.

BUILT TO LAST

Tired of replacing your vacuum every few years? Kirby's die cast aluminum construction is built to last a lifetime, yet compact and lightweight.

SUPERIOR DESIGN

Kirby's innovative product design provides industry-leading airflow, while our exclusive features like Tech Drive® make handling a breeze.
