Maigreens Australia Product Catalogue

Natural Ingredients

Chosen with a mother's care, our powders keep it simple—just honest plant goodness. No shortcuts, no hidden extras. Every spoonful feels gentle, tastes real, and keep you well.

Ashwagandha Powder

Benefits: A traditional adaptogen that supports stress management, relaxation, and balanced vitality.

Usage: Mix 1 tsp (2–3 g) into warm milk/water or smoothies once daily.

Available in 150g

Gooseberry Powder

Benefits: Naturally high in vitamin C and antioxidants; supports everyday immune wellness and gentle digestion.

Usage: Blend 1 tsp (2–3 g) into water/juice, or add to chutneys and smoothies.

Available in 150g

Prathibha Turmeric Powder

Benefits: Curcumin-rich spice offering antioxidant support and comforting warmth for joints and daily wellness.

Usage: Use ½–1 tsp in cooking, or whisk into warm milk to make golden milk.

Available in 150g

Moringa Powder

Benefits: Nutrient-dense greens with naturally occurring vitamins, minerals, and antioxidants for everyday wellness.

Usage: Stir 1 tsp (2–3 g) into smoothies, soups, or sprinkle over salads.

Available in 150g | 800g

Arrowroot Powder

Benefits: Clean-label, gluten-free thickener that gives sauces and soups a light, glossy body with a neutral taste.

Usage: Whisk 1–2 tsp with cold water to make a slurry; add to hot soups/sauces and simmer briefly.

Available in 150g

Raw Banana Powder

Benefits: Gentle on digestion, rich in resistant starch; supports gut health and provides a wholesome base.

Usage: Mix into smoothies, porridges, or dough; stir into warm milk for a nourishing drink.

Available in 150g

Natural Ingredients

We keep processing kind and minimal—slow-dried, close to how nature made them. Clean-label by choice: no artificial colours, flavours, or fillers. Just pure, steady nourishment.

Raw Jackfruit Powder

Benefits: Distinct aroma and firm bite; a good source of fibre for satisfying meals.

Usage: Blend into curries, gravies, or rotis; add to smoothies for a filling, natural boost.

Available in 150g

Triphala Powder

Benefits: Ayurvedic blend of Amalaki, Bibhitaki, and Haritaki valued for detox, digestion, and balance.

Usage: Steep in warm water overnight and drink in the morning, or mix with honey for gentle daily wellness.

Available in 150g

Bamboo Rice

Benefits: Distinct aroma and firm bite; a good source of fibre for satisfying meals.

Usage: Soak 30 minutes; cook at ~1:2.5 rice-to-water until tender.

Available in 250g

Palm Sugar Crystals

Benefits: Unrefined sweetness with gentle caramel notes; minimally processed alternative to refined sugar.

Usage: Use 1:1 in beverages and recipes as a sugar substitute.

Available in 250g

White Quinoa

Benefits: Light, versatile grain with complete plant protein; cooks quickly and pairs with many cuisines.

Usage: Rinse well; cook 1:2 quinoa-to-water until fluffy.

Available in 500g

Herbal Infusions

A small ritual of care in every cup—simple herbs, gentle flavour, and quiet moments that help you slow down and breathe. Naturally caffeine-free and kind on the senses.

Ashwagandha Herbal Infusion

Benefits: Soothing, earthy cup to unwind; naturally caffeine-free to support calm routines.

Usage: Steep 1 bag in 200–250 ml hot water for 3–5 minutes.

Available in 10 Bags | 20 Bags | 100 Bags

Turmeric Herbal Infusion

Benefits: Warming golden notes with antioxidant support; comforting any time of day.

Usage: Steep 1 bag at ~90–95 °C for 4–5 minutes; add lemon/black pepper if desired.

Available in 10 Bags | 20 Bags | 100 Bags

Moringa Herbal Infusion

Benefits: Green, herbaceous brew with natural antioxidants; refreshing and caffeine-free.

Usage: Steep 1 bag at ~90–95 °C for 3–4 minutes.

Available in 10 Bags | 20 Bags | 100 Bags

Shatavari Herbal Infusion

Benefits: Gentle, sweet-herbal profile; calming and hydrating, caffeine-free.

Usage: Steep 1 bag in ~200–250 ml hot water for ~5 minutes.

Available in 10 Bags | 20 Bags | 100 Bags
