

Hair Loss Prevention & Treatment Herba Magic Hair Oil

Enriched with 20+ natural herbal extracts and essential oils, meticulously crafted to rejuvenate and invigorate the scalp, this potent hair oil helps promote thicker, fuller, and healthier hair.

Explore the full sensory benefits of inhaling the scents of herbs, flowers and essential oils at the same time as treating your scalp and hair from the inside out.

Used 1-2 times per week, this deeply hydrating, luxurious and revitalizing treatment will help with:

- Dry, itchy scalp
- Eczema
- Psoriasis
- Alopecia
- Dandruff

Whilst not a cure for these conditions, it helps strengthen hair follicles, reducing hair loss without harsh chemicals or toxins.

All of our products are:

- Australian Made
- Cruelty-Free
- Micro Tested
- Paraben - Free

Medicinal Herbs (Key Ingredients)

Rosemary Leaf Oil & Extract

Stimulates blood circulation to the scalp, promotes hair growth, and has anti-inflammatory properties.

Camphor Bark Oil

Improves scalp health, reduces itching and irritation.

Thyme Leaf Oil

Antimicrobial and antifungal; helps treat dandruff and scalp acne.

Karanj Seed Oil

Soothes the scalp, reduces dandruff, and supports healthy growth.

Geranium Oil

Balances oil production and supports cellular regeneration.

Neem Seed Oil

Antibacterial and antifungal; helps treat dandruff, itching, and scalp infections.

Turmeric Root Oil

Known for anti-inflammatory and antioxidant benefits for the scalp.

Sage Oil

Helps control oil production and soothes inflammation.

Bay West Indies Oil

Strengthens roots and stimulates a refreshed, healthy scalp.

Tea Tree Leaf Oil

Antifungal and antimicrobial; effective for dandruff and scalp health.

Patchouli Oil

Treats scalp irritation and boosts cell regeneration.

Aloe Vera Leaf Extract

Soothes irritated skin, hydrates, and promotes healing.

Matricaria Flower Oil

Calms the scalp, reduces inflammation, and conditions hair.

Bay Leaf Oil

Stimulates hair growth and strengthens hair from the roots.

Cinnamon Bark Oil

Boosts circulation, stimulates hair growth, and reduces inflammation.

Along with other essential oils carefully selected to nourish the scalp and support healthy, natural hair growth.
