

One machine 5 types of water

The Kangen water machine produces a variety of water types, each with its own individual uses, such as:

- **Strong Acidic water** (2.5 pH): Disinfects cuts and sanitises surfaces.
- **Beauty water** (4.0-6.0 pH) optimum for skin and hair.
- **Clean water** (7.0 pH) : Ideal for child formula, cooking, taking medication.
- **Drinking water** (8.5-9.5 pH) Optimal in alkalinity and rich in antioxidants.
- **Strong alkaline** (11.5pH) emulsifies oils for cleaning, elevates migraine and tummy ache.

There are over 100+ uses for our machine

Smart filter technology - Your machine will tell you when its time to change filters

Automatic cleaning

Life long lifespan 25+ years

Electrolysed reduced water acts as an efficient antioxidant that diffuses rapidly across cell membranes reducing free radicals, aiding oxidative stress, while offering a huge array of health benefits to enhance your health and well being.

Kangen water benefits for health and hydration

Every cell, tissue, and organ in our bodies rely on water to function properly. However not all water is created equally. Kangen water, a unique form of ionised water has been gaining traction for its exceptional health benefits and superior hydration properties.

Health benefits of Kangen water

Maximum hydration- Kangen water has smaller molecules than regular water, making it easier for the body to absorb for maximum hydration

Detoxification.- Kangen water has been know to flush out toxins from the body, detoxifying and improving overall health.

Rich in antioxidant properties- Kangen water is rich in Molecular hydrogen, a powerful antioxidant that can neutralise free radicals in the body this can reduce oxidative stress which is linked to aging, inflammation and various chronic disease.

Improves digestion- Drinking Kangen water regularly improves digestion and nutrient absorption.

Aids in weightloss-Drinking Kangen water can aid in weightloss by boosting metabolism and promoting fat loss.

Enhances immunity- Kangen Waters antioxidant can help strengthen the immune system, making the body more resilient to infections and diseases.

Transform your bathroom into a natural hot spring

Anespa DX produces a continuous stream of healthy ionised mineral water. With a ceramic cartridge that removes almost 100% of chlorine and other harmful substances. Adding moisturising minerals for healthier skin and hair.
