

Super Smart Air-Conditioning

Control your air-con from anywhere - smarter, simpler and all in one place.

Why MyPlaceIQ?

- Control individual rooms for greater comfort and energy efficiency
- Control your air-conditioning from anywhere, anytime
- Only heat or cool the rooms you're using to reduce running costs
- Optional, stylish 11-inch touchscreen with a slim, wall-mounted design

MyPlaceIQ Smartphone App

- Turn your air-con on before you get home
- Set schedules to match your daily routine
- Check and adjust temperatures in each zone at a glance
- Stay in control, wherever you are

Control more than just air-con

Smart Lights

Control lighting throughout your home

Smart Garage Door

Open and close from anywhere

Bring smarter control to your air-conditioning
