ABOUT US & WHAT'S IMPORTANT

PROPERTY. CULTURE. PEOPLE.

NEON Property Group redefines the traditional real-estate experience through elevated marketing, strategic negotiation and design-driven presentation.

Combining bold creativity with genuine connection, NEON delivers a modern approach to buying, selling and leasing property across Perth. From campaign strategy and digital marketing to styling, staging and premium client service, every detail is curated to create impact and maximise value.

WHAT WE DO

CHANGING THE REALESTATE GAME IN PERTH

SALES

Strategic campaigns designed to maximise exposure and competition.

CLIENT EXPERIENCE

Authentic communication, transparency and long-term relationships.

MARKETING

High-impact digital, social and campaign branding tailored to every property.

LEASING

Modern leasing solutions focused on presentation and quality tenants.

STYLING & STAGING

Design-led preparation that elevates market appeal and buyer emotion.

NOTHING BUT 5 STAR REVIEWS

Working with Matt Hughes to sell my house was an absolutely fantastic experience. He is a one of a kind agent because he is totally authentic and warmly interpersonal in all communications. This means both buyers and sellers get to build genuine relationships and be very well supported. Matt is highly informative, hard-working and efficient.

– Yokine
