15 Super Berries

In the fast-paced world we live in, our bodies are constantly under siege from free radicals and oxidative stress. From the air we breathe to the food we eat, these invisible threats are all around us, silently chipping away at our health and vitality.

ResMAX™ is a revolutionary blend created by nature, designed and developed by New Image™ to provide your body with a full spectrum of all the major groups of plant-based antioxidant compounds. This diversity ensures that your body receives a more comprehensive defence against the wide range of free radicals it encounters daily.
