CLOCK LIGHT

CK420

Committed to design and embodying wise craftsmanship, the clock light represents a seamless integration of materials and art, as well as harmonious blend of technology and light. It preserves the traditional style and integrates with tones to create a simplistic and elegant ambience, it also ensures design and utility protection.

General Information

Lamp category	LED	System Luminous Flux (lm)	850lm
Power (W)	9W	Mountings	Wall Mounted
CCT (K)	3000K	Environment	Indoor
CRI	90	Dimension	D420xH60mm

Optical

Lighting type	Indirect
Lightsource type	SMD LED

Electrical

Frequency(Hz)	50/60Hz	Battery	Included
Input Voltage(V)	AC220-240V	Function	Clock time Function
Driver	Included	Electrial Protection	Class I
Driver Output	/		
Lifespan	>50000hrs		
Warranty	5 years		

Physical

Colour	Gold / White / Black	Material	Steel
Orientation	/		
Recessed depth(mm)	/		
Tilt (°)	/		
Rotation(°)	/		
Protecton class	IP20		

COLOUR OPTION**RELATED PROJECT PICTURE OF PRODUCT FAMILY**

DATA SHEET

Product Code	diskcovery lamp		
Type	lamp	colours	rose gold
Figure			

Structure data

Material	Aluminum+Acrylic	Diffuser	Acrylic
Dimension	D300*H1000-1200mm	Net Weight	3KG

LED source data

Brand	Bridgelux	Quantity	50PCS
CCT	4000K	Delivered Lumens	960lm

Electrical data

Rated Power	20W	Electrical Grade	Class II
Input Voltage	AC220-240V	Fequency Range	/
Beam Angle	FLOOD DISTRIBUTION	Control Mode	3-STEP-TOUCH DIMMING
Driver	INTERNAL POWER SUPPLY	Life	50000H

Light distribution curve

/	Beam Angle	120°
/	CRI	>90

Protection Grade

Protection Grade	IP20	Electrical Grade	Class II
Ambient Temperature	-20°C-50°C	Ambient Humidity	10%-90%
