30-Min Session
60-Min Session
In Person & Remotely

PRANIC RELATIONSHIP HEALING

- Increase Harmony
- Feel Love
- Resolve Differences

Pranic Relationship session is meant for improving the relationship between partners, colleagues, friends and family members and bring about harmony and peace.

It involves Pranic Psychotherapy for both partners in relation to the problems faced in their relationship. Once the negative thought forms and emotions are released from both sides, the relationship may be improved substantially. Thoughts and emotions are forms of energy that could be disintegrated, cleansed and transmuted.

Available in:
60-Min Session
In Person & Remotely
