

SOLAR HOURGLASS SERIES /

- Monocrystalline silicon solar panel
- LED patch light source
- Lithium iron phosphate battery

Model:TC-G088H80
\$149_{ea}

SOLAR BUBBLE COLUMN LAWN LAMP

- Monocrystalline silicon solar panel
- LED patch light source
- Lithium iron phosphate battery

Model:TC-238
\$139_{ea}

COMMERCIAL POWER UFO SERIES /

- Monocrystalline silicon solar panel
- LED patch light source
- Lithium iron phosphate battery

Model:TC-231
\$129_{ea}

COMMERCIAL POWER UFO SERIES /

- Monocrystalline silicon solar panel
- LED patch light source
- Lithium iron phosphate battery

Model:TB-11823
\$149_{ea}

0 electricity bill
Free wiring
IP54 waterproof

Model:TB-11851
\$99_{ea}

Model:TB-231
\$99_{ea}

UPSIDE-DOWN CARVED WINDOW WALL LAMP /

- Monocrystalline silicon solar panel
- Lithium iron phosphate battery
- Waterproof Grade

Model:TB-3011B
\$69_{ea}

- Monocrystalline silicon solar panel
- Lithium iron phosphate battery
- Waterproof Grade

Model:TB-3015
\$69_{ea}

Model:TB-1236N55
\$129_{ea}

SOLAR POWERED VERTICAL COLUMN LAWN LIGHT /

- Human body induction
- Monocrystalline silicon solar panel
- Die Casting Aluminum

Model:TC-11863
\$199 ea

TRIANGULAR COLUMN LAWN LAMP /

- Human body induction
- Monocrystalline silicon solar panel
- Human body induction
- Human body induction
- Human body induction

Model:TC-11854
\$149 ea

CLOUD STAR SERIES /

- Monocrystalline silicon solar panel
- Lithium iron phosphate battery
- Monocrystalline silicon solar panel

Model:TT-572
\$269 ea

LIGHT LIGHT PHANTOM GARDEN SERIES (LONG ROUND) /

- Monocrystalline silicon solar panel
- LED patch light source
- Lithium iron phosphate battery

Model:DC-0586W
\$129 ea

LIGHT LIGHT PHANTOM GARDEN SERIES (RING) /

- Monocrystalline silicon solar panel
- LED patch light source
- Lithium iron phosphate battery

Model:DC-0588W
\$129 ea

Model:TT-11618
\$159 ea

SolarWay

**Powered by the sun.
 Made for Life.**

COMPANY PROFILE

At **Solarway**, we create reliable, eco-friendly solar lighting solutions that make life brighter and more sustainable. Our focus is on quality, innovation, and affordability, helping homes and communities harness the power of the sun.

We're committed to delivering smart designs, lasting performance, and trusted service -
Powered by the sun. Made for Life.
