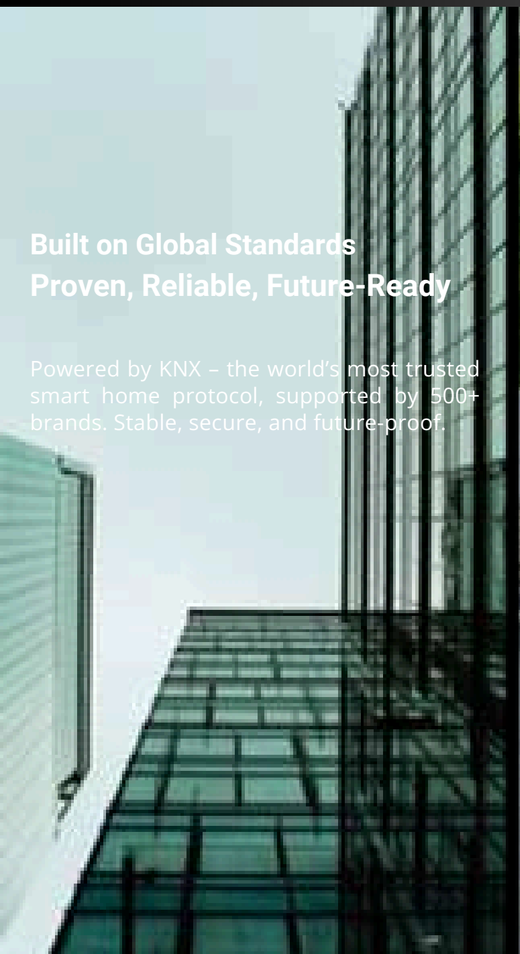
The Miracle of Smart Living

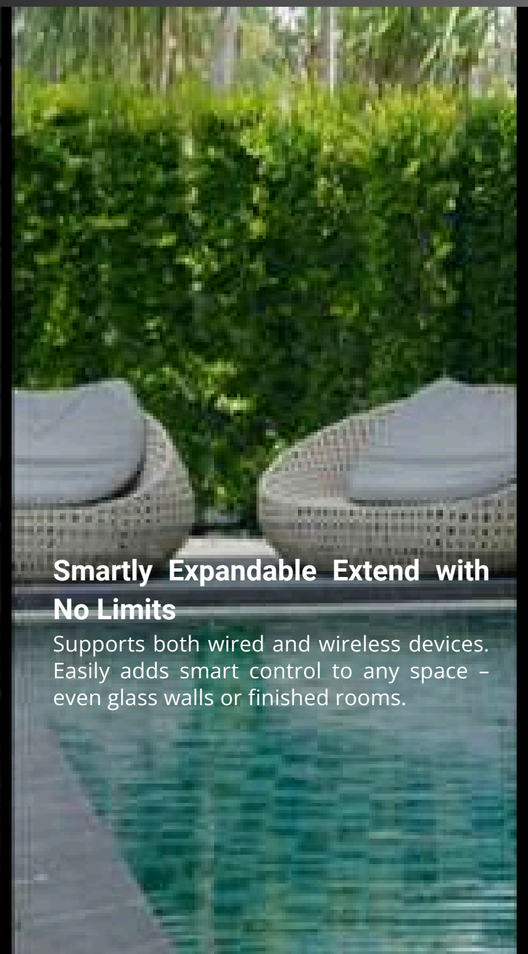
Homira

KNX HRC Wi Fi



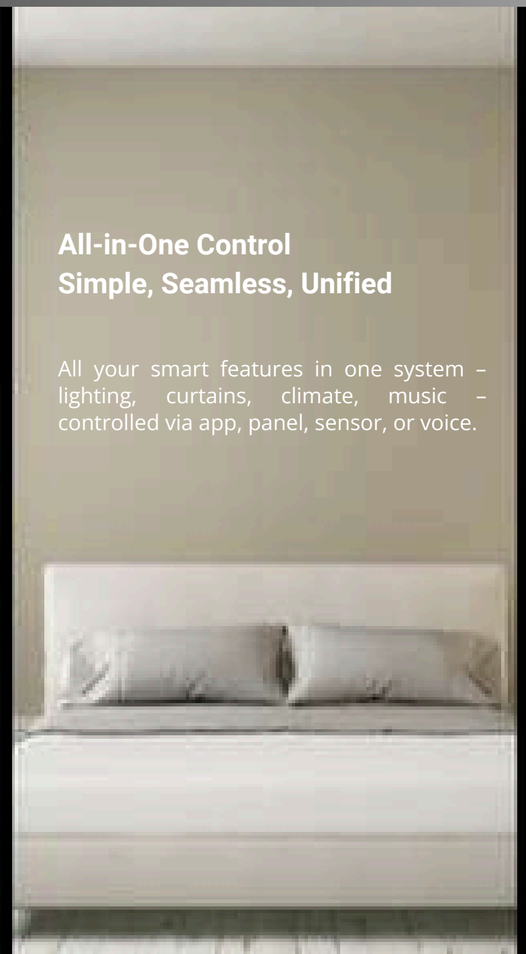
Built on Global Standards
Proven, Reliable, Future-Ready

Powered by KNX – the world's most trusted smart home protocol, supported by 500+ brands. Stable, secure, and future-proof.



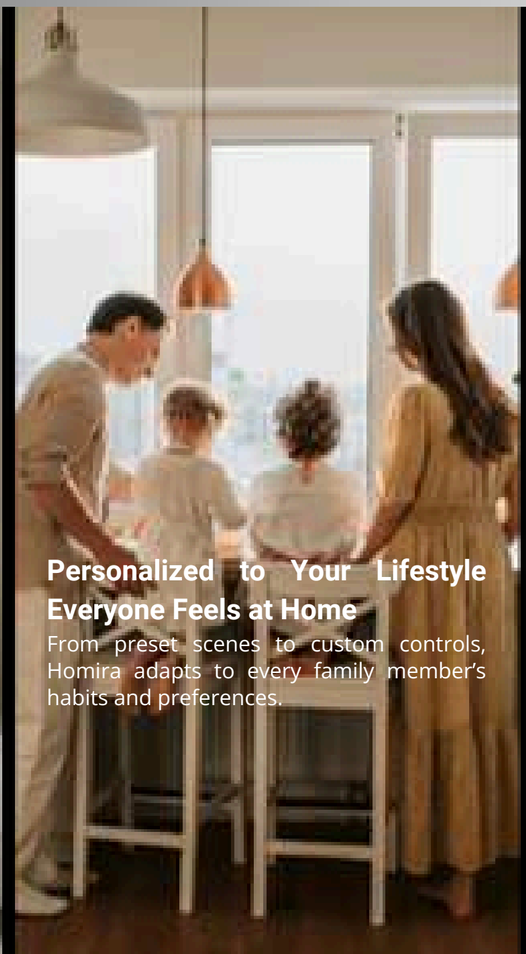
Smartly Expandable Extend with No Limits

Supports both wired and wireless devices. Easily adds smart control to any space – even glass walls or finished rooms.



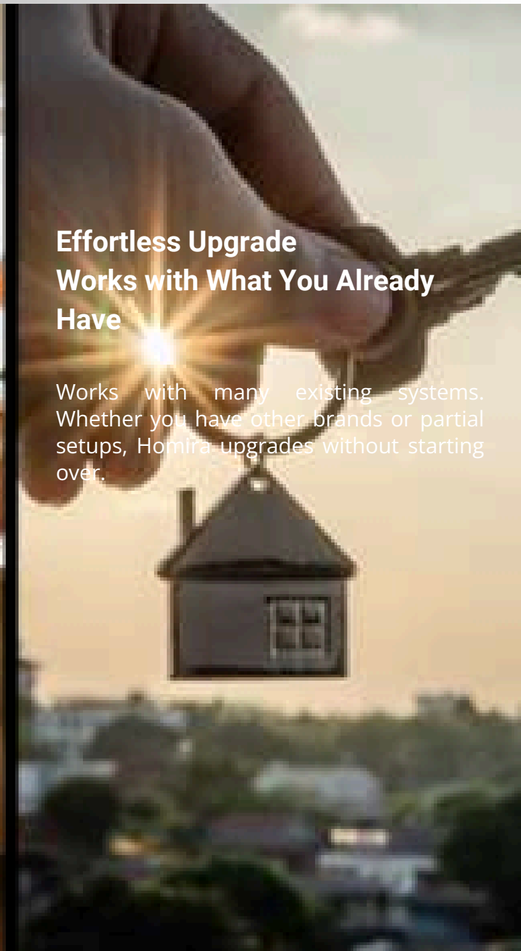
All-in-One Control
Simple, Seamless, Unified

All your smart features in one system – lighting, curtains, climate, music – controlled via app, panel, sensor, or voice.



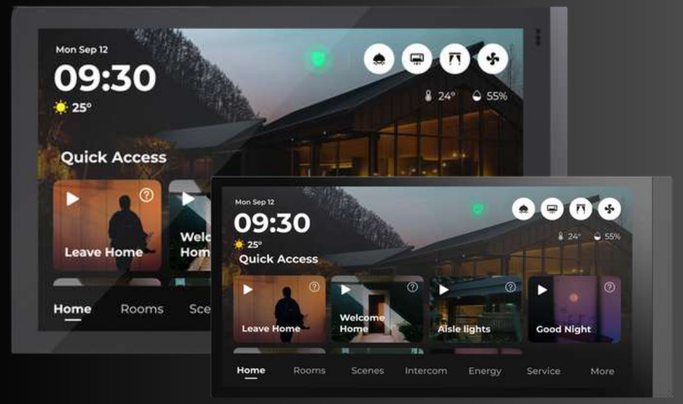
Personalized to Your Lifestyle Everyone Feels at Home

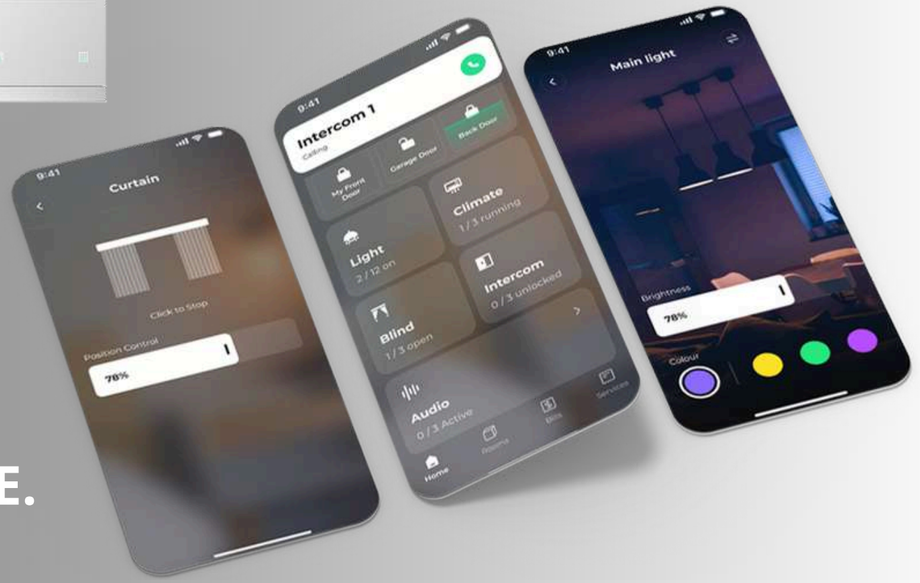
From preset scenes to custom controls, Homira adapts to every family member's habits and preferences.



Effortless Upgrade
Works with What You Already Have

Works with many existing systems. Whether you have other brands or partial setups, Homira upgrades without starting over.





ALL-IN-ONE
ANYTIME, ANYWHERE.

Homira Smart Home was designed to be personal and the smart home OS of choice for families. It lets you control Lighting, Curtains, Thermostats, Music, Video, Security, Cameras, and more. Now integrated with IBMS building services for a seamless home and building experience.
