# Who We Are

Tenger Academy brings the authentic teachings of the **Tengri shamanic lineage** to the world. Our work is not borrowed spirituality — it is a direct transmission from the **Nomtiin Tengri** (Heaven of Wisdom), carried through verified lineage holders.

**Master Shaman Bayasgalan Sodnomtseren**, a certified engineer and economist — received her first transmission in 2009 and has founded the **Khokh Tormos Academy** in 2018.
