

## Hyperbaric Chamber

### HPO Tech ZEUGMA

Our hyperbaric chamber immerses you in pure oxygen under increased pressure to help speed healing, reduce inflammation and support cellular repair - a relaxing, non-invasive therapy for deep recovery.

#### Why ZEUGMA?

We chose the HPO Tech ZEUGMA chamber over cheaper imported pods because it offers:

- Medical - grade build quality
- Precise, stable pressure and oxygen delivery
- Superior comfort and safety

#### Who can benefit?

- Athletes seeking faster recovery and improved performance
- Individuals healing from surgery, injury, or chronic wounds
- Those managing fatigue, brain fog, or immune challenges
- Anyone looking to boost overall wellness and longevity

## NovoTHOR® Red Light Therapy

NovoTHOR® is a full-body light therapy system that uses scientifically calibrated wavelengths of red (660nm) and near-infrared (850nm) light.

### NovoTHOR® – Who can benefit?

**Ideal for individuals/athletes seeking support with:**

**Pain Relief:** Reduces joint, muscle, and nerve pain

**Accelerated Recovery:** Speeds healing from injury, surgery, or intense workouts

**Improved Circulation:** Enhances blood flow and oxygen delivery

**Skin Rejuvenation:** Supports collagen production and reduces signs of ageing

**Energy Boost:** Increases vitality and reduces fatigue

**Mental Clarity:** Supports mood and cognitive function

## Also Available IV Therapy

Experience the power of IV therapy – an instant infusion of hydration, vitamins, and nutrients that revitalizes your body, boosts immunity, and enhances energy levels. Whether you're recovering, recharging, or just optimizing your wellness, IV therapy delivers results you can feel.

## TESLA Chair & TESLA Former

Re-energise weak muscles with two advanced, non-invasive technologies designed to strengthen muscles, restore function, and enhance vitality.

**TESLA Chair:** Targets pelvic floor muscles to improve bladder control, sexual wellness, and core strength.

**TESLA Former:** Stimulates larger muscle groups to tone, strengthen, and support healthy ageing.

### TESLA – Who can benefit?

#### Aesthetics

- muscle toning
- anti-ageing
- performance optimisation

#### Recovery

- from surgery
- after childbirth
- managing pain

#### Incontinence

- pelvic floor dysfunction,
- urinary incontinence,
- sexual health concerns

#### **URGE INCONTINENCE IMPROVEMENT**

**89%** of patients showed significant or complete dryness.

#### **STRESS INCONTINENCE IMPROVEMENT**

**95%** of patients showed significant or complete dryness.

#### **MIXED INCONTINENCE IMPROVEMENT**

**98%** of patients showed significant or complete dryness.

#### **AFTER CHILDBIRTH INCONTINENCE IMPROVEMENT**

**100%** of patients showed significant or complete dryness.

*Wellness isn't a LUXURY  
it's a PRIORITY!*
