

Aromatherapy + flower essence blends for mood, energy & ritual.

We craft natural mists and balms designed to support your nervous system, lift your spirits, and reconnect you with your inner self.

Choose from 9 intuitive blends - each with a unique intention to match your mood and energy.

Aura Protection - Strengthen your energy field and stand steady in your own frequency. For resilience, boundaries, and spiritual protection.

Banish - Clear the slate and shift the energy. A ritual reset for release, cleansing, and fresh beginnings.

Clarity - Cut through the noise and come back to your truth. Supports focus, clear communication, and self-alignment.

Euphoria - A spark of joy and playful light. For creative flow, inner sunshine, and heart-led expression.

Intuition - Tune in and trust your inner knowing. A blend for insight, quiet confidence, and deep listening.

Grounded - Earthy, nurturing support when you need to land. For protection, presence, and anchoring into your body.

Lover - Soft, sensual, and heart-opening. A blend for self-love, connection, and the power of feeling deeply.

Peace - A calming exhale for the nervous system. For soothing tension, emotional rest, and inner stillness.

Sanctuary - Create space that feels like a hug. A cocooning blend for comfort, safety, and energetic refuge.

Crafted with all-natural, high-vibrational ingredients - including pure essential oils, absolutes, botanical extracts, and flower essences - each blend is designed to work gently with your energy and support your emotional wellbeing.

No synthetics, just nature's magic.
