

Vuba Australia Surfacing Reinvented

Global Expertise, Local Availability:

Founded in 2009, Vuba has grown rapidly to become a trusted global leader in resin bound technology, renowned for innovation and quality. Our commitment to excellence has established Vuba as the preferred choice for high performance surfacing solutions worldwide. In May 2024 we entered the Australian market, this local presence ensures that clients across Australia benefit from swift service, hands-on support, and a reliable supply of Vuba's industry-leading products. Vuba combines global expertise with local availability to meet the unique demands of commercial and residential projects in this dynamic market.

A Legacy of Innovation:

Vuba has established a strong global presence through strategic partnerships and notable projects across Australia, North and South America, Europe and the Middle East. Our focus on delivering top-quality surfacing solutions has fuelled significant international growth, supported by a network of reliable distribution partners. Our in-house developed product range including the Moisture Tolerant Resin and the VubaMac base system, known for its flood resistance and durability, showcases our commitment to addressing real-world challenges. With the recent introduction of VubaRend, our advanced vertical binder product, Vuba continues to lead the way in resin technology worldwide, embodying a legacy of innovation and quality.
