THE HEART OF WENSHE

Founded by Lisa in 2012, Wenshe Curtains is a Perth-based family business specialising in bespoke curtains, sheers, blinds and shutters, thoughtfully designed to suit the way you live.

Over the years, Wenshe has become especially known for our signature wave sheers and carefully tailored finishes — combining softness, functionality and timeless design to create homes that feel warm, welcoming and beautifully finished.

Every project is approached with genuine care and attention to detail, from the initial consultation through to installation. Today, Lisa continues to work closely with clients alongside the Wenshe team, personally guiding selections and helping bring each space together in a way that feels calm, considered and effortless.

SHAPED TO PERFECTION. EXCLUSIVE IN PERTH.

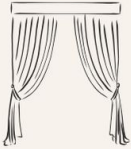

Our signature wave is what sets Wenshe's curtains and sheers apart.

Using specialised shaping technology exclusive to Wenshe in Perth, we create perfectly uniform waves designed to hold their shape beautifully over time, in all types of curtains. This process is included in all our pricing.

It's the kind of detail most people don't realise matters — until they see the difference for themselves.
