

# INTENTIONAL CRAFTING

Witchy Worx offers products that are ritually crafted under specific planetary and lunar alignments, using traditional correspondences to support focused intention.

Our tools are designed to be both practical and energetic, bridging magick with everyday ritual. Each item is handmade in small batches, with care placed not only in ingredients, but in timing, symbolism, and purpose.

We believe magick should feel accessible, grounded, and supportive, whether you're just beginning your practice or deepening an existing one.
